

Lethbridge Primary School Newsletter

December 2018

Welcome to our latest newsletter

There is a very Christmassy atmosphere around here now. The annual children's cards, calendars and decorations are coming on well! The EYFS and Key Stage 1 productions have been such fun. What a bunch of superstars they are. ☺

Well done to our children who performed on stage in Wood Stage as part of the Christmas Lights Switch On. It was a real joy to see you all smiling together.

Our KS2 children take part in a Christmas service at Christchurch on 18th December at 10:15am. Parents are very welcome to join us.

Christmas lunch is on Wednesday 19th December. Children are also invited to wear Christmas jumpers on this day. This is one of our favourite events of the year. The kitchen staff work really hard to get 500 Christmas dinners cooked and served on the day and it's always delicious.

The Christmas bazaar was an amazing success. Thank you all so much for contributing to the school by attending these events and spending your money! We really do appreciate it. Congratulations if you were one of our lucky raffle prize winners

We finish for the winter break at 12pm on Friday 21st December. This last morning of term will also be a chance to wear non-school uniform.

School closure in event of snow

I don't believe we are expecting much snow anytime soon but this is a good time for me to remind you about our procedures if we need to shut the school building in event of bad weather. As you might remember from last winter, we will always do our best to keep the school open if at all possible and use flexible starting and finishing times in order to do this safely. We will send out a text message as soon as we possibly can to let you know any decision, post on our Twitter account (@LethbridgePri) and website. Heart radio will also announce school closures.

School performance tables

Performance tables for all schools' Key Stage 2 results have now been published and you can see the achievements of Lethbridge children here:

https://www.compare-school-performance.service.gov.uk/schools-by-type?step=default&table=schools®ion=866&laname=swindon&geographic=la&for=primary&orderby=ks2.0.PTRWM_EXP&orderdir=asc&datatype=percent&sortpolicy=inversepolicy

I believe our result of 86% of children achieving the expected standard in reading, writing and maths puts us at around the top 5% of state schools in the country. We are very proud of this achievement but recognise this is only one way of judging the job a school does for its children. We are proud of every child's individual achievement in every part of school life and value each of them.

Have a wonderful break and we will see you again on January 7th.

Lisa Mayes
