Pupil Acceptable Use Policy

Acceptable Use Policy Agreement.

Please follow these rules whenever you use a computer or the internet in or out of school.

I will:

- Be kind and polite when I communicate with others online
- Tell an adult if something I see online upsets me or makes me feel uncomfortable
- Not share pictures or videos of anyone without their permission
- Never arrange to meet people in real life that I have only spoken to online
- Always keep personal information private about myself and others when online
- Always look after the computing equipment in school
- I will not bring my mobile phone into school, unless a mobile phone parental consent form has been filled out, and if I do bring it in, I will not use my mobile phone on the school premises

I understand that I must use school ICT systems in a responsible way:

- for my own personal safety
- recognising that the school has a responsibility to maintain the security of the technology it offers when using the internet for research or recreation
- understanding that I am responsible for my actions, both in and out of school

I have read and understand the above and agree to follow these guidelines when:

- I use the school ICT systems and equipment (both in and out of school).
- I use my own equipment out of school in a way that is related to me being a member of this school.
