

Honesty looks like:

Being truthful even though you might get into trouble.

Saying your opinion but in a kind and thoughtful way.

Telling on someone only when necessary.

Acting in a way that others can trust.

Doing what's right, regardless of who's around.

Honesty sounds like:

'I understand what you're saying, but I believe that...'

Please Miss can you help, someone is going to hurt themselves or others.

Sorry, I shouldn't have done / said that.

'I'm sorry, I did it / it was me.'

This is what really happened.
