## FREEDOM OF INFORMATION ACT PUBLICATION SCHEME

### PUBLICATION SCHEME ON INFORMATION AVAILABLE UNDER THE FREEDOM OF INFORMATION ACT 2000

The Governing Body is responsible for maintenance of this scheme.

#### **1. Introduction: What a Publication Scheme is and why it has been developed**

One of the aims of the Freedom of Information Act 2000 (FOIA) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this, we must produce a publication scheme setting out:

- The classes of information which we publish or intend to publish
- The manner in which the information will be published, and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our Publication Scheme is available on our website: [www.lethbridgeprimary.co.uk](http://www.lethbridgeprimary.co.uk) or is available in paper form.

Some information which we hold may not be made public, for example, personal information.

This Publication Scheme conforms to the model scheme for schools approved by the Information Commissioner.
